ABOUT MYSELF

I am a qualified social worker with experience in working with children, vulnerable or at risk together with their families. I have been working as a social worker for 3 years and I qualified from National University of Lesotho in 2019. I enjoy working with the marginalized, vulnerable individuals and children at risk even in exceptionally difficult circumstances. I am a certified full-stack developer with passion to build fascinating UX/UI designs and clean reliable back-end systems. I am always fascinated by challenges and strive for problem solving at all time.
